I will possess you again; you will be mine and only mine. It must be tonight. These words inspired the story and they do hold an element of truth. The story is my fantasy about meeting a rapist after the event! It was not the easiest thing to write and I did begin by writing the rape scene as a Police report, but it felt so impersonal, cold and calculating. Yes, that is how many people see rape, but it is a personal and mind numbing experience and every person who goes through it have his or her own ways of dealing with it.
