Foundations and Public Policy: The Mask of Pluralism

By Joan Roelofs

State University of New York Press. Paperback. Book Condition: New. Paperback. 284 pages. Dimensions: 9.1in. x 5.9in. x 0.6in. Documents how even progressive foundations serve to reinforce the political status quo. In this pathbreaking study of foundation influence, author Joan Roelofs produces a comprehensive picture of philanthropy’s critical role in society. She shows how a vast number of policy innovations have arisen from the most important foundations, lessening the destructive impact of global marketization. Conversely, groups and movements that might challenge the status quo are nudged into line with grants and technical assistance, and foundations also have considerable power to shape such things as public opinion, higher education, and elite ideology. The cumulative effect is that foundations, despite their progressive goals, have a depoliticizing effect, one that preserves the hegemony of neoliberal institutions. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.

Reviews

Absolutely essential go through book. It can be rally fascinating through studying period of time. You wont truly feel monotony at at any time of your respective time (that’s what catalogues are for concerning in the event you question me).

-- Roberto Leannon

This sort of publication is everything and made me seeking forward and much more. Better then never, though i am quite late in start reading this one. I am easily could possibly get a delight of reading through a created pdf.
