Caribbean Challenges

By Mark Wilson, S. Ali, C. Costelloe, B. Jenkins

Hodder Education. Paperback. Book Condition: new. BRAND NEW, Caribbean Challenges, Mark Wilson, S. Ali, C. Costelloe, B. Jenkins, This course aims to develop students' geographical skills and knowledge at lower-secondary level, in preparation for their future CXC studies. The two books from Longman Caribbean Geography: The Caribbean and beyond and Caribbean Challenges can be used in any of years one, two or three of the lower secondary school. Key features include: * Units that give an overview of the social, economic, physical and environmental geography of the Caribbean in a global context, covering recent events and developments in the field. * Investigations of other areas of the world, such as South Africa and India, provide contrast. * Questions and activities provide practice in skills such as interpreting and evaluating data, atlas work, making comparisons, research and field work, critiquing and debating. * A revision section, which provides ready material for extra exercises or for assessment purposes. * A highly-illustrated, modern design that will appeal to the age-group, and which carefully integrates the illustrations with the text and exercises.

Reviews

The most effective book i ever read through. it had been written quite flawlessly and valuable. I am just happy to let you know that here is the very best publication i have got read through during my individual daily life and may be he greatest pdf for ever.
-- Prof. Adonis Rodriguez

Comprehensive information for publication fans. I have got read and i am confident that i am going to likely to go through once again once again in the foreseeable future. I am just very happy to let you know that this is actually the greatest book i have read in my very own existence and could be he finest book for at any time.
